

Challenge Bene Wiedemann *Alto Adriatico Trophy*

National Flying Dutchman Regatta in Cesenatico **29 and 30 May 2021**

Dear sailing friends,

To remember our friend Bene Wiedemann, we have decided to associate the National FD Regatta "Trofeo Alto Adriatico" with a challenge on his name.

We want to remember the figure of Bene and his friendly relations with our Circolo Velico Cesenatico, a small club on the Riviera Romagnola where the sense of frank hospitality, sport and sincere friendship prevails.

A feature that unites us to other clubs across the Alps, where sailing events are a welcome opportunity to renew a pleasant moment of fun and joy.

With this common vision, we invite all the Flying Dutchman Class crews to participate in our event which will take place on 29 and 30 May 2021 and to honor the spirit of hospitality, we want to offer the free registration to all foreign crews.

Together with the Italian Flying Dutchman Class, we are pleased to share with you the rules for the Bene Wiedemann Challenge dedicated to the memory of Bene, an appreciated Flying Dutchman sailor.
